

## April Committee Newsletter 2021

### Presidents Report

Hello

Welcome back after the first term holidays. Hope you and your family had a rejuvenating break over the holidays and are excited to return for Term 2.

I would like to thank all the staff and families that made the last week of term 1 so much FUN, complete with end of term family bbq's and Easter egg hunts. It was a great time for the families to catch up and celebrate the end of a successful term 1 at kinder.

What a great opportunity it was for our families to participate in our welcome to country smoking ceremony, led by Steve Parker held on Thursday 25th March. It was such a special night contributing to our first people learning and community spirit at Balnarring.

We held our committee meeting last Tuesday 20th April and can confirm the re-schedule of our QIP (Quality Improvement Plan) meeting. This will be held at the kinder, the first Monday (28th June 21) of the mid-year school holidays at 10am. We invite all families from the kinder to attend along with the committee members to have your voices contribute to our quality improvement plan.

Please also keep an eye out in the newsletter for some upcoming fundraising dates.

I would like to take this opportunity to thank all our committee members in working hard in each of your roles alongside and with guidance from the teaching team to ensure the smooth running of our kinder which is evident and consolidated in each meeting.

Also a big Thank You to all of the families who contribute to the kinder each day / week / month and throughout the whole year.

Djeembana's working bee was held at the end of last term and each group's working bee is coming up throughout the year. Your help does not go unnoticed or unappreciated and it's because of you that we have such a great community at Balnarring that is bestowed upon our bubups.
